

AURELIUS Wachstumskapital acquires Marcus Transport GmbH

Buy and build strategy

Grünwald, Wuppertal, 28th of August 2019 - AURELIUS Wachstumskapital SE & Co. KG („AWK“) has acquired Marcus Transport GmbH („Marcus Transport“), an industrial service company focusing on industrial assembly work, machine rental (including forklifts, mobile cranes and hydraulic ramps), special transports as well as maintenance and service of powered industrial trucks. AURELIUS Wachstumskapital intends to continue the company’s growth in its core businesses, also through acquisitions of industrial service providers in various segments.

Nico Vitense, Managing Partner at AURELIUS Wachstumskapital, was very pleased about the transaction: “Marcus Transport represents a well-established family business which stands for sustainable growth in an interesting market environment. We are looking forward to working with the management team, including the Managing Director, Peter Marcus.”

Mr. Marcus has also expressed his pleasure on the choice of AURELIUS Wachstumskapital as acquiring company: “AURELIUS Wachstumskapital is a strong partner which will support us in achieving our growth plans and thereby ensuring the company’s long-term success.”

About Marcus Transport

Marcus Transport is a family business which was founded in the 1930s. Today, the company has a workforce of more than 100 employees carrying-out services throughout Europe. With its large fleet of more than 350 special vehicles, forklifts, mobile cranes and hydraulic ramps Marcus Transport can offer individual services to its customers, especially in the local market where the company has its greatest strength.

About AURELIUS Wachstumskapital

As part of the AURELIUS Group, AURELIUS Wachstumskapital focuses on small and medium-sized buyouts/succession solutions as well as on the acquisition of company segments of larger medium-sized companies (spin-offs).

The portfolio of AURELIUS Wachstumskapital now comprises six companies. Besides Marcus Transport, AURELIUS Wachstumskapital holds majority stakes in the service provider for airplane manufacturers, airline interior decorators and major airlines AES, the bar and restaurant chain operator Bolero, the catering provider Better Taste, the packaging company Roundliner and the service provider for technical building equipment G+N.

We support our portfolio companies both with capital for investments and growth and with entrepreneurial expertise; thereby, we can realise growth and leverage existing potential.
